MORDEN EMMC MOVING FORWARD

Congregational Meeting April 26 – 7:00 pm
(Zoom link will be made available)

With the desire to lead the church forward with vision, clarity, and a desire to follow God's leading, the Elders have had several meetings with our conference, with Al Kehler, with Pastor Claude Lainey discerning a path which would see the Gospel Mission Church (GMC) come alongside us providing pastoral care, spiritual care, mentorship, and more.

The congregation has been encouraged to engage with leaders in the past few weeks. However, the Elders are aware that there is a desire on the part of some to have further discussion in order to bring more clarity to the vision and possible partnership with GMC. Therefore, this meeting is again open to interested congregants to discuss what "moving forward" could look like.

It is our concern that we as a church would be nurtured and led in a fashion which is responsible to the calling of our Lord. The opportunity to work with Pastor Claude Lainey and others from the GMC offers possibilities to both our congregation and our community which we believe is God opening the door for our obedience to that call. Please attend if you can or email your questions to the church office or to Pastor Al.

A date for a vote will be set for a later so that the congregation has this additional opportunity to engage in the process and be well informed. If it would be beneficial for you to examine our current constitution or that of the GMC, copies are available to be signed out at the church office.
