Welcome to Tuneville, where the townspeople are know as Funies, and their leader, King Dazzlebaum, has declared that EVERDAY is Christmas! The conversation is loaded with Christmas-ism and the air is merry and bright as the Christmas extravaganza –“Tinsel Mania” – is about to take place. You won't want to miss it! But wait. . . a devastating sleigh bell storm is about to change all that! How can local gift wrappers/rappers, Tansy and Filbert, save the day?
