**Dear Morden EMMC,** Your email has brought tears of joy to my eyes. I have been short of funds for over a year now and this covers my shortfall for almost a year! Although I have appreciated learning the lesson of how to live on much less, this means I can do much more. Now I will be able to help my co-worker, Elvira. She comes from a country that has been going through financial difficulty and her church has struggled to get her funds here. Now I can help her get through the rough times. I have also been wanting to somehow help our translators to pay for their children's basic education. They work on the translation for free, but they do not have other jobs to earn money. Basic education for children is getting more expensive and healthcare is not free. Now I can set up a fund to help them pay for their basic needs.

Thank you to everyone for blessing me so generously.  
Serving our Lord together, Correna Janzen
