We are excited to be back in action for Sunday School!

This year, in order to better prepare we are asking families to please sign up your children ahead of time. There are forms available at the front entrance, and Carmen will be in the foyer Sept 12th before and after the service to take registrations and answer your questions. If you prefer to sign up digitally, feel free to get in touch with her for more information.

With all the new and exciting changes we will also be looking for volunteers to facilitate our program. If you feel God leading you to help out in this area, please contact Carmen at 204 362 5389 to see how you can be a part of the Sunday School program.
